

Financial assistance for travel to the 44th annual meeting of the CEA, Le Petit Séminaire de Québec, May 28-30, 2010.

The Canadian Economics Association, with the financial support of the Social Sciences and Humanities Research Council, provides travel assistance to a limited number of participants in the annual meetings of the Canadian Economics Association. Please note that CEA travel grants only cover part of the cost of travel to the meetings, and successful applicants should still expect to incur some additional travel costs.

The number of travel grants given will depend upon the level of funding that the CEA receives from the Social Sciences and Humanities Research Council. SSHRC funds, and hence the number of travel grants available, will not be confirmed until April, 2010.

The following criteria are used to determine who will receive travel grants:

- Grants will only be given to individuals who are current (2010) members of the Canadian Economics Association.
- Grants will only be given to individuals who are presenting a paper or participating in a poster session at the CEA meetings.
- Priority is given to Canadian applicants. Individuals located outside of North America should not apply.
- Priority is given first to graduate students and second to faculty at institutions outside Canada's large urban centres (e.g. UNBC, MUN, U Winnipeg).
- Priority is given to those who have no other source of funds to finance travel to the CEA meetings.
- Previous travel grant award recipients receive lower funding priority.

To apply for funds, please complete the attached application. If you are sending the application electronically, ask your supervisor to fill out the section "To be completed by supervisor" and have him/her e-mail the completed application directly to cea.ace@gmail.com. Alternatively, fax a hard copy of the form with your supervisor's signature to 514-987-8494 (attention Steve Ambler), or mail to Steve Ambler, Département des sciences économiques, Université du Québec à Montréal, CP 8888, Succ Centre-ville, Montréal, QC H3C 3P8.

The application deadline is March 15, 2010.

Successful applicants will be notified early April by e-mail. **Be sure to provide complete, accurate and legible e-mail addresses!**
